

Green Tea Guo

A rich source of phyto-antioxidants, including EGCG, the list of research-proven health benefits of Green Tea continues to grow.

Who can benefit from this supplement?

The easy answer is everyone. As a healthy beverage, just squirt one dropperful into a glass of hot or cold water. The powerful antioxidants will exert a protective effect against free radical damage. It is felt that free radicals contribute to cancer risk, aging, inflammation damage, cardiovascular damage, and immune system deterioration. In addition, green tea has been shown in numerous studies to assist in weight loss. The Phyto-Tech™ Green Tea Guo formulas contain Whole Green Tea Leaf and Green Tea Extract, standardized a 90% polyphenols, 50% EGCG, such that one dropper full has the same antioxidant content as 10 cups of regular green tea. In addition, the product is sweetened with natural stevia and the popular Chinese herb, Luo Han Guo. Luo Han Guo is considered a longevity booster, and is commonly used for numerous health problems in China. *Please note that one dropperful of Phyto-Tech™ Green Tea Guo contains less than 2 mg caffeine. A regular cup of coffee contains from 100 to 150 mg of caffeine. All Phyto-Tech™ Green Tea Guo preparations are alcohol free. One is naturally peach flavored*

1 fl oz ~ Regular Flavor Prod Code: 56944

2 fl oz ~ Regular Flavor Prod Code: 57098

1 fl oz ~ Peach Flavor Prod Code: 56998

Suggested Use:
