

Size: 3.40 fl. oz

flaxVALANT Hand & Nail Cream - Has been designed for daily care of your hands, nails and cuticles. It softens and moisturizes the hands while strengthening the nails and protecting them from splitting. It restores even very dry, chapped hands and weak nails. How to use it: Apply a little dab all over the hands as needed during the day. For deep, repairing treatment, apply generously, then put cotton gloves on. Leave on over night.

### Special Offer: WOR Listeners

Get one free tube of Flax Valant Hand & Nail Cream with any order placed over the internet with Willner Chemists.
