

Willner Chemists

Atlanta Georgia

Willner Chemists, Atlanta, is now entering its sixth year in business, steadily gaining popularity as Atlanta residents come to appreciate its unique blend of service and expanded product selection, including a low carb food section.

Mahinder and Kavita Tolani run the Atlanta store, located right in the heart of the Buckhead section.

Mike is the General Manager and co-owner of Willner Chemists Atlanta. He brings ten years of experience in Retail Management and Marketing to the business. Mike has diplomas in Computer Science, Database Management and Networking.

Kavita comes from a business family in Mumbai, India, and she always had a desire to expand her managerial and organization business skills. She graduated from Business School, and spent several years in retail business.

She is the Vice President of Willner Chemists Atlanta, and co-owner, specializing in purchasing, advertising and marketing.

Mahinder (Mike) Tolani, Kavita Tolani, and their newest partner, Shyla
...Willner Chemists, Atlanta, Georgia

Since the birth of their daughter, Shyla, over two years ago, Kavita divides her time between home and the store..

For more information on the Atlanta store, see <http://www.willner.com/About/staffatlanta.htm>

Siri Kirtan Fluck, C.N.

enjoys helping others find more balance in their lives, moving towards a healthy lifestyle that incorporates stress management and better nutrition. She is available when you come in to the Atlanta store for consultation as to the use of various nutritional modalities, as well as for review of your current regimen to determine its appropriateness for your current needs She is also available for private nutritional consultation.

Charlotte Porterfield

Charlotte has been at the Atlanta store for 3 years now. Her strong product knowledge and compassionate, helpful attitude has made her popular with our customers. Congratulations to Charlotte on the first birthday of her daughter, Ashbie.

Charlotte Porterfield, C.N.

Carla Hill-Ocanda

Carla has spent several years in retail and supplements.

Our Spanish speaking customers can rely on her with their questions and concerns.

Leigh Hall
Leigh has worked in the supplement industry for four years, and recently joined the Willner team in Atlanta. Even though she is new, you will find her multitasking, between customer service, checking inventory and placing orders for the store. She is a longtime vegan and loves to help customers with any vegetarian questions or concerns.

Sarah Edwards :

Sarah Edwards is a new part time employee at the Atlanta store. You will find her working hard at the store trying to keep all the shelves stocked & the warehouse organized. She is currently studying Spanish at Georgia State University.
