BURN FAT. LOSE WEIGHT. TONE UP.

The revolutionary way
trainers burn fat.

Personal trainers know Diet Fuel's clinically proven, ephedra-free formula is the revolutionary way to burn fat, lose weight and gain energy.

Jennifer Chamberlin,
Diet Fuel User
Personal Trainer

Diet Fuel Ephedra Free 60 & 120 Capsules

Twinlab's Diet Fuel Ephedra Free is designed specifically for active females who wish to lose weight, as well as tone up and increase definition.

Diet Fuel, a patented, breakthrough Ephedra Free formula, combines an effective complex of clinically proven ingredients to increase metabolic rate, promote weight loss, and increase energy.

Diet Fuel is available in the diet section of most major retailers and in fine health and nutrition stores.
