"Dr. Recommended" Antioxidant Caps - 180 Caps

PRODUCT #: 3804
UPC: 733739038043
SRP: \$33.99
[Where to Buy](#)
[Add a Comment](#)

This exceptional supplement combines key nutrients that may protect your body from free radical damage caused by oxidation. The vitamins and minerals included in this formula not only protect healthy cells from oxidative damage, but also support your body's nutritional needs by providing a synergistic blend that aids in attaining and maintaining optimal health.*

Some scientific evidence suggests that consumption of antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive.
