E 400IU Mixed (d-alpha tocopherol)

Code 1421 (400IU / 90 Softgels) buy now

Each easy-to-swallow softgel contains 400iu (International Units) of pure vitamin E in the form of d-alpha tocopherol, derived and isolated from 100% natural sources with additional beta, delta, gamma tocopherols in a balanced ratio. Vitamin E is a fat-soluble vitamin and antioxidant that protects cell membranes and prevents free radical damage, supporting the cardiovascular system and general health.

Also available:
240 softgels - 8142
400IU / 180 Softgels - 1422
400IU / 360 Softgels - 1423

Suggested Usage:
1 softgel, 1-2 times per day or as directed by a health professional. Keep out of reach of children.
Contains no artificial preservatives or color; no corn, starch, wheat or yeast.
